CORAM : S.C.DHARMADHIKARI, J.

DATE : 5th September 2006.

P.C.

. After hearing the original complainant appearing in person and perusing with her so also that of the learned A.P.P.'s assistance the order of this Court and directions issued therein, in my view, the trial court needs to be directed to

endeavour and dispose of the case within a period of six months from today. Considering that the applicant is taking medical treatment in United States and is required to come and depose in the case on the dates fixed for trial and when She is required to stay there for her medical treatment for a prolonged period, in such circumstances, interests of justice would be sub-served if, in the peculiar facts and circumstances of this case, trial court is directed to dispose of the case, as expeditiously as possible and in any event within six months from today. Directions in the earlier order for expeditious trial stand substituted to this extent only. Application disposed of.
